Name **JAMES EARL ELLIS** Case # **181904091**

By Affidavit Survey/Test For Legal Experts To Free Drug Offenders  
From Criminal Charges based on - Unconstitutional Drug Monopoly Law

## EXPLANATION Of Drug Offenders DISCOVERY RIGHTS & Survey For Legal Experts To Sign.

Our "Controlled Substance Acts" violate citizen equality on these grounds & more.

1-doctors aren't under oath of office (Constitutional Oath to uphold citizen equality or be impartial in all their duties)

2-Doctors sell Government Use Permits- Like the ATF - & are only private business venture.

3-Doctors being private citizens- not under oath- get to keep the Gov. Permit fees, which are temporary causing strong monopoly powers with pharmacies- blocking free markets rules of pricing, sales & distribution to all citizens with equality.

4-Doctors special powers of a public office & forced compliance with unconstitutional law-

Clearly blocks access of a needed commodity unless accepting the elite citizen powers given to doctors of medicine & governments fees needed to own or purchase commodity needed to treat personal pain, anxiety, & chronic illness.

Conclusion-denial of rights based on Drug Prohibition with PreScripton Clause.
