Dear D.A. Sim Gill-

I delivered proof of Obstruction of Justice crimes by Gov. Gary Herbert & UAG Sean Reyes to your office on Oct. 24, 2016.

The same documents are included in this fax.

I spoke to one of your attorneys Mr. Mike Postma -he advised me to make an official written request for investigation & due process of complaint.

8pages (including survey use request) have been filed, notarized stamped received by 3 fed. judges & 5 Ut SupremeCourt Judges.

not one send a letter of receipt. Their misconduct is clear as well.

I truly want our Governor & UAG to use the proof of crimes against our unborn themselves - without threat of open investigation & prosecution.

But since they have ignored filed evidence since Jan. 11, 2016- their misconduct must become public knowledge so the the murder of living human beings can be ended using logic & expert testimony. Which you know - any competent legal defense would use to prove beyond any reasonable doubt- unborn human beings have some rights to life.

Please call me in to interview so I can help you & others under oath use the science-survey to subpoena expert witnesses & end our nations murder of our children in the womb. = COMPETENT LEGAL REPRESENTATION For our UNBORN. God bless the USA & its Constitution.

Sincerely,

Jonathan L. Peterson
