Dear OIG Inspector General Michael E. Horowitz;

(duplicate sent to Special Agent in Charge Eric Barnhart/SLC-FBI & U.S. Attorney John Huber:

As a US Citizen: I request an official investigation into Election Tampering to block my right to run for US Congress. The 30 attached pages of evidence show crimes against Constitutional Law have been committed & The inaction by named authorities shows clear misconduct / obstruction of justice. Call me in to submit affidavit interview.

(The below document was filed June 12, 2017 & again with more evidence June 27, 2017) w-No/Responses by any of them.

Dear Utah Lt. Governor Spencer J. Cox & UAG Sean Reyes-

"Declaration of Election Tampering". JUNE 12, 2017

I am filing this formal complaint and request for an extension of set deadline for submitting Candidacy Signatures:

Based on my 1st formal complaint of Election Tampering/by blocking my Announcements posted on Utah News Media & my elected officials: Including Sen. Hatch, Sen. Lee, Rep. Love & Rep. Chaffetz: With evidence of these criminal acts continuing today.

Their support would insure my name being on the ballot as - 'Independent Candidate' for Utah's DISTRICT 3 U.S. Representative, seeking signatures to be on the State Official Ballot. I couldn't get support without public information being shared.

I am including today the 20 pages (& one more example of my announcement being removed from our largest newspaper SLTribune,) filed with Dept. of Justice/US Attorney John Huber & the same 20 pages filed with UAG Sean Reyes: Both legally stamped received on June 8, 2017.

The new filed complaint included my original complaint to your office Lt. Gov. Spencer Cox, in charge of Utah's Public Elections on May 31, 2017 which included evidence of Election Tampering, which has continued and now has many more examples of my US Citizen Rights to run for public office being denied by removal of my public announcement blocked from public view but not removed from Twitter servers for that site/sites.

I not only ask for more time, but demand an official investigation into who removed my lawful announcements seeking support for public office. I ask for a public announcement and prosecution of Election Tampering, through our Constitutional Law.

Equality under all laws for all citizens alike-to run for public office without interference by our government or private entities.

Dear Gov. Gary Herbert -
 my seeking office of U.S Representative for District 3

 in removing my Announcements on News Media

 I submitted evidence May 31, 2017, June 8, 2017 &
 June 12, 2017 the final dg of signature submission
 to Lt. Gov. Spencer Cox - in charge of Utah Elections.
 The proofs filed show I'm not blocked by the
 named Twitter sites owner or Twitter.com.
 Because my announcements are still available by my

 & U.S. Attorney John Heber.
 This is clear "ELECTION TAMPERING" that
 blocked my public requests for election support.
 You told me, Gov. Herbert - "you would look into it."
