IN THE UNITED STATES COURT OF APPEALS

PLANNED PARENTHOOD ASSOCIATION OF UTAH,
Plaintiff-Appellant,

v.
GARY R. HERBERT, in his official capacity as Governor of the State of Utah, and JOSEPH K. MINER, in
his official capacity as Executive Director of the Department of Health,
Defendants-Appellees.

On Appeal From the United States District Court for the District of Utah
Honorable Clark Waddoups, No. 2:13-CV-00217

MOTION FOR DISCOVERY

NOW COMES a Friend of the court, Jonathan L. Peterson of 3670 S. RedMaple Rd. SLC, UT 84106

TO THE HONORABLE Chief Judge Timothy M. Tymkovich & 10th Circuit Court of Appeals:

-In pursuit of justice for the unborn, currently denied competent legal Representation,
I present a science survey for court recognized experts (medical doctors & PhD. Life science experts) for their
opinion on this crucial question that is the foundation of Roe vs.Wade or Abortion on demand rights of women
to take their life.

I request the courts and other parties subpoena the expert witnesses I have requested and any other
qualified experts for their (under legal oath) give opinions so this denied truth of science reality can prevent
further taking of human life outside of medical necessity or due process (for rape & incest).

So far, none of the authorities with responsibility to use this new information have asked experts so a court
record can confirm science consensus to prevent further unconstitutional loss of life.

Our unborn have a right to ask for expert opinion, by the citizen group who take their very lives, now having
knowledge and will not share it with the public, their patients or the court: without subpoena forcing them.

Demand this question be answered and place their answers in the court record to save our unborn lives.

"When Is the Beginning of Life For All (higher) Life Forms: Except Human Beings?

1-__ at the starting point of fertilized egg having cell animation.

2-__ at some later point in time after fertilized egg cell animation is detected.

I request subpoenas for witnesses & their responses: of both Pro-Life & Pro-Choice Experts for the court.
6 stated as Pro-Life doctors & 6 or more Pro-Choice doctors currently performing abortions.
