**By Affidavit Survey/Test For Legal Experts To Free Drug Offenders
From Criminal Charges based on - Unconstitutional Drug Monopoly Law**

EXPLANATION Of Drug Offenders DISCOVERY RIGHTS & Survey For Legal Experts To Sign.

Our "Controlled Substance Acts" violate citizen equality on these grounds & more.

1-doctors aren't under oath of office (Constitutional Oath to uphold citizen equality or be impartial in all their duties)

2-Doctors sell Government Use Permits- Like the ATF - & are only private business venture.

3-Doctors being private citizens- not under oath- get to keep the Gov. Permit fees, which are temporary causing strong monopoly powers with pharmacies- blocking free markets rules of pricing, sales & distribution to all citizens with equality.

4-Doctors special powers of a public office & forced compliance with unconstitutional law-

Clearly blocks access of a needed commodity unless accepting the elite citizen powers given to doctors of medicine & governments fees needed to own or purchase commodity needed to treat personal pain, anxiety, & chronic illness.

Conclusion-denial of rights based on Drug Prohibition with PreScripton Clause.

BRIBERY: The offering, giving, receiving, or soliciting of something of value for the purpose of influencing the action of an official in the discharge of his or her public or legal duties.

I agree that corporate political contributions are not lawful and violate state and federal bribery statutes because of: "corporate mission laws/Justification of Spending" that protect share holder's funds

Name KIMBERLY ANN FELDMAN Case # 171903877

By Affidavit Survey/Test For Legal Experts To Free Drug Offenders
From Criminal Charges based on - Unconstitutional Drug Monopoly Law

EXPLANATION Of Drug Offenders DISCOVERY RIGHTS & Survey For Legal Experts To Sign.

Our "Controlled Substance Acts" violate citizen equality on these grounds & more.

1-doctors aren't under oath of office (Constitutional Oath to uphold citizen equality or be impartial in all their duties)

2-Doctors sell Government Use Permits- Like the ATF - & are only private business venture.

3-Doctors being private citizens- not under oath- get to keep the Gov. Permit fees, which are temporary causing strong monopoly powers with pharmacies- blocking free markets rules of pricing, sales & distribution to all citizens with equality.

4-Doctors special powers of a public office & forced compliance with unconstitutional law-

Clearly blocks access of a needed commodity unless accepting the elite citizen powers given to doctors of medicine & governments fees needed to own or purchase commodity needed to treat personal pain, anxiety, & chronic illness.

Conclusion-denial of rights based on Drug Prohibition with PreScripton Clause.
